Level I

Turning Point accepts male and female youth, ages 15 – 21 in the custody of the West Virginia Department of Health and Human Resources. Youth work towards independence, moving through a four phase system where they earn increased freedom with increased responsibility. Youth who “graduate” from the Turning Point program go on to college, military service, independent living, or return to a family unit.

- In-agency GED Education Program with full-time instructor
- Weekly basic living skills group
