Summit Academy and New Outlook	14-19 males 13-19 females Pennsylvania	724-282-1995 www.theacademyschools.com

The Summit Academy is a private, residential school for court-adjudicated youth ages 14-19 in grades 9-12. Our program is multi-faceted, interweaving academics, counseling, trades training and athletics. It provides the transforming environment and unwavering support juvenile offenders need to redirect their lives.

Inpatient Drug & Alcohol Treatment Services- As our young men forge their own path to sobriety, they may utilize the following eclectic treatment models: 12-Step Approach, Chronic Disease Model, Rational Emotional Therapy, Cognitive Behavioral Therapy, Reality-Based Therapy

New Outlook Academy- It's a private, residential school for court-adjudicated females ages 13-19 in grades 7-12. Our program is multi-faceted, interweaving academics, trades training, counseling and extra-curricular activities. It provides the transforming environment and unwavering support young juvenile offenders need to redirect their lives.
