<p><b>Level I</b>            Turning Point accepts male and female youth, ages 15 – 21 in the custody of the West Virginia Department of Health and Human Resources. Youth work towards independence, moving through a four phase system where they earn increased freedom with increased responsibility. Youth who “graduate” from the Turning Point program go on to college, military service, independent living, or return to a family unit.</p> <ul style="list-style-type: none"> <li>• In-agency TASC Education Program with full-time instructor</li> <li>• Weekly basic living skills group</li> <li>• Weekly substance abuse prevention group</li> <li>• Supportive counseling</li> </ul>
